Cancer of the Nose.
In 1874 a sore appeared on my nose, and grew rapidly. At my father's house, and my husband died of it. I became alarmed, and consulted my physician. He treated me with various remedies, but the sore grew larger and worse in every way until I had concluded that I was to die from its effects. I was persuaded to take S. E. Gross's, and a few bottles cured me. This was after all the doctors and chemists had failed. I have had no return of the cancer.

Wants a Crossing.
Mr. EDITOR—At the Water street crossing of the Washburn there is no crossing for pedestrians. In muddy times they have to take the wagon road. At other times they take the rails, and there is danger in that. A few nights ago an old lady stumbled over one of the rails and fell in front of a moving engine. A man who happened to be near pulled her out of the way in time to save her life. The city or the railroad should put a crossing down for people on foot.

Shoot Him.
Mr. EDITOR—A driver on a North Water street car smokes cigarettes while on duty. A cigarette smoked anywhere is an outrage on every one in that block, but on the front end of an open street car it is a disgrace. Can not this man be fired from a motor car against a brick wall, or receive some other treatment that will partly compare with his offense?

Advertised Letters.
Following is a list of advertised letters remaining in the Decatur postoffice uncalled for June 17, 1890:

McDaniel, Henry, Miller, C. R., Morgan, Ross, Pratt, Capt John S., Smith, Ella, Stevens, Mr., Truesler, James, Warren, N. S., S. S. JACK, P. M.

Literary Meeting To-Night.
There will be an interesting program at the meeting of the Young People's society of the Universalist church to-night as follows:

Opening song.
Recitation—Miss Maud McDonald.
Solo—Frank Bunn.
Reading—Prof. Wilson.
Song by the choir.
Selection by Louis Priest.
Pen sketch of Clara Barton, by Mrs. J. G. Shea.

Discussion, "Should the Ownership of Land be Limited," led by Frank Bunn, followed by five minute speeches.

Have the Exclusive Right.
Drs. Hoskins & Moore have the exclusive right of Decatur for Dr. Steadman's improvement in dental plates. This improvement is designed to dispense with the large suction plate, in common use for partial dentures, and it will also serve to supplant "bridge work" in large measure, which latter as well understood, is difficult to fit and oftentimes involves the destruction of valuable teeth. The plates are very small, only about one quarter to one eighth the usual size. Being constructed on truly mechanical principles, they fit the mouth with perfect accuracy. This system applies to all cases having one or more natural teeth remaining of either jaw. Parties wishing both inserted without plates would do well to give them a call.

At Bicycle Headquarters.
Nos. 110 and 114 William street, Library block, you will find the finest line of high grade wheels in the land, and no place where you can get a better job of repair work. The name of foreman of shops is a sufficient guarantee as to class of work patrons will receive. Can make anything from a fishhook up to a railroad engine, or repair anything. All parties purchasing wheels won't have to send them to the factory for needed repairs.

It Worked.
(Bloomington Paragraph)
A clever swindler, purporting to be an agent for the famous cross outwitted a number of the butchers of the city last week. He said he was buying meat for the animals, and as the sun was made out he said that it was smaller than usual, and proposed that the dealer raise it and advance him the difference. The trick seemed to take.

One Dollar and Eighty Cents.

S. E. GROSS.
S. E. Gross, Chicago's greatest real estate dealer, has sold nearly 50,000 lots and 7,000 houses in the past nine years; \$25 cash and small monthly payments buys a lot in S. E. Gross' Magnificent Grosslands.

100 Ladies Wanted.

For diseases of the Blood Liver and Kidneys it is a positive cure. For constipation arising from the complexion it does wonders. It is the best spring medicine known. Large size package 50 cents. At all druggists.

Ask Your Friends About It.
Your distressing cough can be cured. We know it because Kemp's Balsam within the past few years has cured so many coughs and colds in this community. Its remarkable sale has been won entirely by its genuine merit. Ask some friend who has used it what he thinks of Kemp's Balsam. There is no medicine so pure, none so effective. Large bottle 50c and \$1 at all druggists. Sample bottle free.

Flies! Flies! Flies!
Symptoms—Festulent, intense itching and stinging; most at night; worse by scratching. If allowed to continue tumors form, which often bleed and ulcerate, becoming very sore. Swayne's Ointment stops the itching and bleeding, heals ulceration, and in most cases cures the tumors. It is a drug that is paid for 50 cents. Dr. Swayne & Son, Philadelphia.

How to Cure all Skin Diseases.
Simply apply Swayne's Ointment. It cures itching, burning, sore throat, eczema, all eruptions on the face, hands, neck, etc., leaving the skin clean, white and healthy. It is a valuable remedy for all skin diseases, and is paid for 50 cents. Dr. Swayne & Son, Philadelphia.

Fatal Accident to an Old Man—Other Macon News.
MACON, Ill., June 17.
Last Saturday evening, as James English and wife and Mrs. Saulmon and her father, Samuel Fiery, were returning from Decatur and when near Elwin, English struck his horse with a whip and their sudden jump threw Mrs. Saulmon and Fiery, who were sitting behind, out on the ground. Mrs. Saulmon's right arm was broken. Mr. Fiery's left leg was broken below the knee and the other leg was also broken. The injured parties were brought to their home in this place and their injuries attended to by Drs. Tobey and Nicholson. They were getting along nicely until last evening, when a change for the worse took place in Fiery's condition. At 1 o'clock to-day he died. He was 78 years of age. It is said by those who are well informed in the matter that the whole party were intoxicated, English and Fiery very much so.

OTHER MACON MATTERS.
Rev. W. F. Sprull is visiting his daughter, Mrs. L. F. Smith, at New Berlin, Ill.
W. B. Neuberg and wife of Blue Mound, were the guests of Dr. R. Tobey and wife Sunday.

Mrs. B. F. Ficht of Assumption, is visiting her father, Dr. Tobey.

Three cars of hogs were shipped from this place to-day.

Miss Xannie Sprull, who has been attending school at Evanson, returned home last Saturday.

The infant child of Mr. and Mrs. Ed Combes died Tuesday morning.

Mrs. Clint Webb is reported on the sick list.

Mr. Wilson of St. Louis, was the guest of his cousin, Will Patterson, a few days this week.

Another Curiosity.
J. C. Paxton and wife of 1904 North Water street have an 18 months old girl who has always been peevish, petulant and quarrelsome after the fashion of girls generally. Her parents didn't know what to do for her, and as she couldn't talk, folks had to grin and bear it. The other day, however, a protruberance was noticed on the calf of the baby's left leg. Medical aid was called in and a pin was taken from the flesh. The pin is headless and how it got there, or when, is as much of a mystery as why the people allow the present city administration to govern things without protest. The child is doing well since the operation.

Another Car.
A telegram was received at 6 o'clock last night by Ehrhart & Co., from their agent at Atlanta, Ga., announcing that another car of melons had been shipped yesterday. The first car which arrived Monday have all been sold but 200 melons, and merchants who want any of them had better send in orders early this morning. These are the finest Georgia melons and give the best of satisfaction. Ehrhart & Co. will receive another carload of bananas to-night. They are doing a rushing fruit business, and by handling it in immense quantities are able to have a stock on hand that is always fresh.

Good Templars.
Decatur lodge was favored last night with visitors from Atwood, Ill., Loganport, Ind., and Faithful lodges. There was one initiation and a number of reports from the county lodge. It was decided by a unanimous vote to co-operate with other lodges in making Good Templar day at the coming camping-out, and that a tent for Good Templar headquarters be secured. Stirring speeches were made for the good of the order and arrangements made for a lively program next week.

Toes Mashed.
John Dozier was riding on Young Brothers & Marie's wagon yesterday and jumped off to move a barrel out of the way. He undertook to get back on the wagon without waiting for it to stop. The wagon ran over his toes and mashed three of them so badly that they may have to come off. Drs. Catto & Jones, who dressed the injuries think they can be saved.

"Wait a Wee an' Dinna Weary."
The democrats of the Fifteenth congressional district despairing of being able to defeat Congressman Joseph G. Cannon, there is some talk of getting a tariff reform republican to run as independent candidate. In this event the democrats will make no nomination, but will try to secure Mr. Cannon's defeat. But in a fight between two republicans many democrats would support Mr. Cannon. W. J. Calhoun, a Danville attorney, has been mentioned in this connection. He is one of the delegates to the state convention who were appointed by the county central committee last Saturday. The meeting of the committee was entirely harmonious, and there is no indication of disagreement among the republicans of Vermillion county.—Dispatch.

In a Bad Fix.
Frank McCormick, the boy who fell on his head in the jail Tuesday morning, is still in a bad fix. Dr. Hied and Dr. Cass Chenoweth made an examination and found that he was suffering from a severe concussion of the brain. He could be roused up to consciousness, but would immediately fall back into a comatose state. The doctors think it will be eight or nine days before they can tell whether he will live or get well. He is badly hurt.

The boy is in the women's department of the jail, where it is likely he will be kept, as his home is hardly a fit place for a person in his condition. His parents didn't know of the accident they saw an account in the paper yesterday morning. They called at the jail during the day.

OF THE REVIEW.

The manufacturers of "THERPURE" Baking Powder in making their bow to the public desire to frankly state a few important facts:

Third—We have no words of condemnation for other powders; there are some powders in the market which are very good, there are far more that are poisonous; we know ours to be pure and of the highest class.

Fourth—Realizing that results alone can prove the merit of any article, we believe that "THERPURE" Baking Powder, which is an advancement in modern discovery and science, will furnish results for the household never before accomplished, thus proving helpful to the health and "popular with the ladies." THE "NIAID QUEEN."

The First Performance Last Night Entirely Successful.

The "Niaid Queen" which has been in preparation for three weeks, was given its first presentation last night. About 300 Decatur people took part in the performance, which was entirely successful, and greatly pleased the audience. The number of spectators was not so large as it will probably be on the three following nights.

Owing to the illness of Miss Maude O. Leffingwell, who had been cast for the part of the queen, she was unable to appear last night and Miss Belle Steele took that part as well as the one for which she had prepared, that of the queen of the gypsies. Though she had but a few hours notice to prepare for a part that required much study, Miss Steele did wonderfully well, singing and acting with a grace and a proficiency that would have been creditable had she expected from the beginning to take the part. She showed not the slightest hesitation, and clearly understood the music perfectly, which was of course was the principal thing. The gypsy dance in which Miss Steele appeared as the queen of the gypsies, was encored.

The others in the cast did well. The matches were especially well executed. It is surprising how well drilled those children have become in three weeks. The scenic effects were fine, and well put on. The music is pretty and well rendered by the orchestra and performers.

Back From Detroit.

E. J. Martin returned yesterday from Detroit. He will remain here in charge of this line until the 1st of July, at any rate. The Detroit people did not seem disposed to relieve him in much of a hurry, and while not insisting on his staying, showed no disposition to provide a successor or to let him go. They examined the statement Mr. Martin made of the business, and were very well pleased, though a little surprised at the good showing. Mr. Martin has been making it pay expenses and they, it seems, hardly expected that. Messrs. Snow and Jackson will be here about the 25th of June and will then look over the property and books, and probably make arrangements about getting a successor for Mr. Martin, who is still anxious to be relieved of the care and responsibility of the management.

Back at Work.

The miners at Niantic went back to work yesterday at the old price, 60 cents. That was the price fixed for the mine by the miners at their meeting at Springfield, and the price to which the operators agreed without objection. It appears as if the men concluded from that they could get anything they asked for and so demanded an increase. The operators ordered the mine closed, and the miners concluded to go back to work. They will go down this morning.

Oh, Dat Watermelon.

As usual Decatur leads the procession, and the enterprising fruit firm of G. W. Ehrhart & Co., received their first car of Georgia watermelons twenty-four hours ahead of time. The rush began at once however, and has been kept up without interruption. The melons are ripe and luscious and the first car will soon be exhausted. Therefore, dealers should get their orders in as early as possible.

The Fall Meeting.

The dates for the fall meeting of the Decatur Trotting association have been fixed for Sept. 23, 24, 25, and 26. It will be a horse fair with a speed ring, and it is certain that a good exhibition of fine horse flesh will be made. Peoria, which is in this circuit, will not have a fall meeting, on account of the state fair. That knocks out that meeting for that association. A greater number of the Peoria people will probably be here on that account.

Hit Him.

Wabash Watchman Austin found a stranger asleep in a box car in the yards yesterday. Probably he was a tramp. Probably he didn't have any friends here. At any rate the officer awoke him by giving him two heavy blows, and then cursing him eloquently. The fellow said he was going to Litchfield and didn't know there was any law in this town against being alive.

To Pave Prairie Avenue.

Property owners owners on Prairie avenue are circulating a petition to the city council asking that honorable body to pave the street this summer. The majority of the property owners have about agreed on taking brick as the best pavement, and it is quite likely that will be used.

THE NUPTIALS OF MISS POWERS AND MR. KERNEY.

The Ceremony Witnessed by 150—The Canteen—The Elaborate Breakfast—The Guests From Abroad—The Tour—The

It was a beautiful wedding that yesterday morning joined the lives of Professor Charles Kerney, of Evansville, Ind., and Miss Annabel Powers, of Decatur, daughter of Mr. and Mrs. Orlando Powers. The large and handsome residence and the circumstances of the bride's parents afforded every opportunity for careful preparation. Not the slightest detail was overlooked and everything was arranged in the most pleasing and most charming way possible. The house was darkened and the gas lighted. Numerous candelabras with their waxen tapers shed a soft glow over the 150 guests and the handsome decorations and gave an air of enchantment to the scene which was heightened by the fragrance of countless blossoms.

In the east parlor, where the ceremony was to be performed, was a large canopy of sunnax and roses. On the mantel near it was a heavy bank of white lilies and cream roses. At each end of the bank was a candelabrum in which were four yellow waxen tapers, shielded by yellow shades that cast a soft and pleasing radiance over all around.

It was just at 9 that the orchestra, stationed in the hallway on the second floor, began to play the wedding march from "Lohengrin." With the first soft strains appeared the bridal party at the head of the stairway. First came the ushers, John Clugston and Edward Powers, followed by the bridesmaids, Miss Mabel Durfee and Miss Marian Ewing. Miss Durfee wore a large white leghorn hat and a cream white frock of China silk, high in the neck and with long sleeves. In her hand was a bouquet of white roses. Miss Ewing's frock was of corn colored silk. She wore a large leghorn hat of the same color and carried yellow roses.

After the bridesmaids came the little flower girls, Zella Ewing and Marie Powers, strewing flowers before the bride and groom. The little girls were in low necked and short sleeved frocks, Zella's being of corn color silk crepe trimmed with yellow forget-me-nots, and Marie's of white China silk with white forget-me-nots.

The bride and groom came after the little girls. The bride was handsome in her wedding gown of fallie francaise silk, with just the least tint of cream. It was made plain, with a train, high necked, long sleeves, and trimmed with very wide, rich Valenciennes lace that fell in a cascade down the front and was fastened at the left side. The front of the skirt was finished with the same lace. The veil of fine silk was long and fastened with a crown of orange blossoms, caught with small pearls. The bride wore no gloves and carried a bouquet of white roses.

Rev. W. H. Prestley and Dr. Phillip G. Gillett awaited the bridal procession under the canopy. As the bride and groom passed before them, the orchestra's notes were brought to a soft, low tone and the ceremony began. It was especially interesting as the ring ceremony, while Dr. Gillett repeated it in the sign language to the bride and groom. At its conclusion the many friends pressed forward to wish the couple the greatest possible happiness and the richest success. Many heartfelt benedictions were silently pronounced upon them, while warm earnest words were used to express the hopes for joy and prosperity that all felt and all do feel.

The wedding breakfast was served immediately afterward by Mrs. Guyton, who did the very best she could, and that expresses fully how charming and how pretty it was. The bride table was set with 12 places in the east dining room. It was a rare arrangement of flowers and the richest of ware. The center piece, a long mirror, with lilies and swans at each corner, gave a water effect that was inexpressibly pretty. Around the edge of the table was silk. At the end of the table was a large cluster of white lilies. Near them were ornate candelabras in which were lighted wax candles. The bride party went to the dining room in this order: The bride and groom, Mr. Prestley and Miss Durfee, Dr. Gillett and Miss Ewing, Mr. Penhallegon and Mrs. David, the groom's sister, the groom's brother, and Mrs. O. Powers.

The older relatives of the two families were seated at another table in the west breakfast room. This table was also handsomely arranged with Oriental gold cloth in the center on which were some rich silver pieces. Candelabra and flowers in all parts of the room made it bright and enchanting. All the other guests were seated in groups of four at smaller tables brought in and set at halfway. While music filled the air, each, attentive colored waiters moved about and served the elaborate wedding breakfast.

In time to catch the 11:15 train for the east, the bride and groom appeared in traveling costume. The bride wore a light brown broadcloth dress, made plainly, with brown hat and brown shoes to match. With hasty good byes, they entered a carriage and were driven to the depot. There a great many friends had assembled to see them off. They left for New York, where they expect to sail next Saturday on the Ozamard Eturia for London. After two weeks in that city they will go to France, and then visit Germany, Holland and perhaps Italy. They will return by Sept. 1st and reside at Evansville. It is their intention to board.

These presents at the wedding from out of the city were: The groom's brother, William Kerney, accompanied by his daughter; the groom's sister, Mrs. J. W. Davidson, and her three daughters, Misses Estelle, Pearl and Clothilde; and Miss Macy, all from Evansville; Mr. and Mrs. W. H. Wood, Indianapolis; Mrs. James Miller, cousin of the groom, and wife of Senator Miller, of Toulon; Mr. and Mrs. W. C. Carter, Mrs. W. D. Sanders, Mrs. Frank Elliott, of Jacksonville; Dr. Phillip G. Gillett, superintendent of the state institution for deaf and dumb, Jacksonville; Rev. S. M. Morton, wife and daughter, formerly of Jacksonville, now of Mattoon; James Ewing and wife, Spencer Ewing and wife, Leslie Wymond, Harry Spencer and wife, A. B. Funk, of Bloomington; Professor Philip Huestenab, Chicago; Miss Georgia Elliott, Evanston, Ill.; Mrs. G. D. Thomas and Miss Hawkins, Minneapolis; and Miss Mary Armstrong, Milwaukee.

The souvenirs were pretty little slide boxes of white vellum, containing pieces of the bride's and the groom's cake. On one

corner was a monogram of the letters, P. K. and on the other was an embossed four leaf clover in a horse shoe.

The presents filled a large room on the second floor. They were of gold and silver, of china, of rare china and works of art. Probably no Decatur bride ever received so many handsome and valuable presents. Among them were a large bronze clock, from the five graduates in Mr. Kerney's school, and two bronze figures from the primary class in the same institution.

Professor Kerney is widely known as one of the most highly educated and successful teachers of the deaf and dumb in the country. He graduated from three institutions for the deaf and dumb, and about five years ago founded a private school for them at Evansville. It has grown rapidly, and requires a large corps of instructors of which he is the principal. Miss Powers received a thorough and careful education at the institution at Jacksonville. Both possess a number of accomplishments and have quick, bright minds.

It was while on her way to a convention of the deaf and dumb in California, three years ago that Miss Powers met Mr. Kerney at Jacksonville. He was also going to the convention, and while there an acquaintance was formed that grew more intimate with subsequent meetings, and resulted with the happy wedding of yesterday. May their married lives ever be as bright and full of beauty as was the first day, is the wish of The Review.

Good Wheat.

Reports from Macon and adjoining counties are to the effect that the wheat crop is not for years been in as good condition as now. It will be a big crop, and all the farmers are in a good humor about it. The bugs, or flies, that were at first reported to be destroying the wheat, are not as bad as at first reported. Only a few counties seem to have suffered severely, while around Decatur the damage has been very slight.

Found.

Word was received from Niantic late last night that P. H. Hunt's son Winnie, had been found there. He will be returned home at once, and his mother will be greatly relieved. He disappeared from home Sunday.

Arm Broken.
